About **INSPIRING EDUCATION**

Inspiring Education (a division of Inspiring Potential Agency) was flagged off on 14th February 2005 with a vision to empower new-age students with best admission counselling services. Since 17 years we are helping students to achieve their goals by choosing the right-fit colleges and universities that support their education and career aspirations based on talent, interest and financial resources.

Inspiring Education comprises a team of expert admission counsellors who are equipped with extensive knowledge about the best institutions and education practices in India and abroad. They guide the students with authentic insights about the admission requirements, processes, and criteria in the top colleges in India and across the globe.

Our research, rich network with institutions and extensive experience in career counselling and admission guidance have helped countless students to realize their true potential by taking informed education decisions and choosing the best career path for themselves.

It is also our goal to go beyond the domain of admission assistance and facilitate our students with unbiased counselling, short and effective skill-oriented trainings, scholarship opportunities, education loan assistance and provide them with all kinds of support that can help them to realize their dream careers.

OUR VISION

Leading transformation through futuristic education consulting and skilling services.

OUR MISSION

Empowering students with best career counselling, education guidance, training and synergistic collaborations to help them make the best choices, realize their potential and achieve their goals.

Message from **THE DIRECTOR**

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

Inspiring Education began its journey 17 years ago to help students discover their ideal career paths by guiding them to choose the right colleges based on their course interest, aptitude and talent. We have successfully inspired next generation learners and aspiring professionals to pursue their dream careers with research oriented admission counselling guidance. Students are like our extended family and over the years we have built a strong student community who believe in continuing this tradition of facilitating each other with network, resources and knowledge sharing.

We understand that each student is unique and needs customized admission and training solutions to get equipped for their dream careers. That is why we blend our admission consulting services with personal care and professional expertise to bring out the best in them and gift each one of them the future they deserve.

OUR SERVICES

CAREER COUNSELLING

Before you begin to explore your dream education destinations, taking unbiased career counselling is a must. Right career counselling is about understanding your aptitude, course choices, interests, challenges and resources before zeroing in on the education destination.

- Understand Your Course Choice
- Understand Your Aptitude
- Exploring Your Requirements and Challenges

ADMISSION GUIDANCE

Applying for college admission is not simple anymore, especially in the modern era where there are countless choices for students. Wide variety of course and career choices coupled with innumerable options of college and institutions and diverse admission requirements make it necessary for you to take professional admission assistance. With our team of expert admission counsellors we act as the perfect bridge between your aspirations and the college expectations.

MBA TEST PREPARATION

At Inspiring Education, we prepare aspiring management professionals with the necessary skills and competencies to be eligible for the best management colleges across West Bengal and India. In order to study MBA from one of the top management institutions, candidates need to be equipped with interview skills, GD/PI skills, right aptitude and also be prepared to qualify the relevant entrance exams for pursuing emerging management careers. We facilitate you in this process of preparing you for admission to the best MBA institutes with the effective training support and learning resources.

EDUCATION FAIR

At the Edu Fair conducted by Inspiring Education, aspiring management students can meet university and college representatives across India and understand their education prospects, campus life and other important details in person. Inspiring Education education fairs have helped thousands of students with a platform to connect and explore their education opportunities before taking the final decisions. It is one of the best education fairs where top B-Schools and Management colleges across West Bengal and India participate to connect with the aspiring higher education students.

BANK LOAN ASSISTANCE

At Inspiring Education, we extend our services beyond career counselling, college application and admission assistance and help students for getting education loan assistance to pursue their chosen courses in their dream colleges.

Inspiring Education collaborates with reputed banks like HDFC, Credilla and IDFC to facilitate the education loan process of the students. Getting educational loans is one of the biggest challenges for students for pursuing a course and college of their choice. Meeting bank loan criteria and getting hassle-free educational loan with attractive interests is a necessary requirement for most of the students.

Students who apply for education loans through banks that are tied up with Inspiring Education get the advantage of quick loan application processing, covers most of the PGDM, MBA, Undergraduate and Postgraduate across the nation.

STUDY ABROAD

Studying abroad may be one of the most beneficial experiences for a college student. By studying abroad, students have the opportunity to study in a foreign nation and take in the allure and culture of a new land.

FINLAND

- Finland is the happiest country in the world. Finland has an excellent education system
- Finland is one of the most innovative countries out there in the world. We can get a first hand experience with innovation while studying in Finland.
- We can work 25 hours a week part time while pursuing education in Finland. Upon graduation one can get a one year post graduate visa.
- We can get a Finland permanent residency four years after graduation. In another five years we can get a permanent residency and if one speak the language can apply to the citizenship.

CANADA

- One of the most important reasons why students choose to study in Canada is because of the high quality of education.
- Tuition fee in Canada, when compared to universities in the US and UK, is fairly cheaper. And when considering the return on investment, it is quite a viable option for Indian students.
- Canada has been consistently ranked as one of the safest nations in the world. In 2018, the Global Peace Index*, listed Canada as the sixth peaceful country across the globe.
- Canada provides all its international students with an opportunity to work for up to 20 hours every week during their semesters and full-time during the summer and winter breaks. To work on-campus or as an intern in any company, you would not require any additional work permit as your study permit is enough to help you find a part time job.

AUSTRALIA

- Internationally accredited qualifications
- Rights for international students
- Incomparable quality of life
- Easy to work after completion of your studies

UK

- UK universities are inspected regularly by the Quality Assurance Agency for Higher Education to ensure that they maintain the high standards of learning which are expected.
- With a mix of cosmopolitan cities and countryside villages, the UK is full of historical landmarks, famous music festivals, widely varied cuisine and amazing events to keep you entertained throughout the duration of your studies.
- International students who study a full-time undergraduate or postgraduate degree course at a recognised university are allowed to work part-time during term for up to 20 hours a week and full-time during the holidays.
- Employers want high quality graduates who have specific skill sets, including effective, critical, and creative thinking skills. UK education is recognised by employers, universities and governments worldwide.

USA

- US Universities are ranked and recognised internationally
- Great employability rates and opportunities
- Abundance courses and universities to choose from
- Culturally rich environment

GERMANY

- The cost of education in Germany is less expensive as compared to other countries.
- Germany is home to some of the top universities in the world. Universities in Germany are internationally-recognized, affordable, and ready to meet the variety of educational needs of local and international students.
- Great job opportunities.

BANGLADESH

- Affordable Cost of Study
- Culture of Bangladesh is same as in India
- Medical Colleges in Bangladesh are approved by NMC, India
